# BACKGROUND

Founded in 2008 by Paul and Olivia Muthoosamy, Advanced Commercial Truck Repairs (ACTR) has grown into a leading 100% B-BBEE Black Woman-Owned service provider. We are committed to delivering top-tier service and workmanship, using only genuine, high-quality products.

At ACTR, we specialize in preventative and emergency maintenance for all vehicle types, from passenger cars to tractors and Yellow Plant. We handle jobs of any size, focusing on minimizing repair costs, reducing turnaround times, and minimizing downtime.

Professionalism and integrity are central to ACTR. We invest in our staff, infrastructure, and technology to meet industry demands and exceed customer expectations, ensuring guaranteed satisfaction.

# Our Vision

Our vision is to become one of the leading mechanical companies in the country. We are committed to expanding our operations, with the goal of opening new branches nationwide. Through this growth, we aim to create opportunities for young, aspiring mechanics and technicians, contributing to the development of future industry leaders.

# Services Offered

- **24/7 Mobile Breakdown Unit:** We operate round-the-clock with a fleet that includes three large tow rigs and four rollbacks.
- **Car and Truck Repairs:** We specialize in both petrol and diesel vehicle repairs for cars and trucks.
- **Preventative and Emergency Maintenance:** We offer regular maintenance and urgent repair services to prevent breakdowns.
- **Engine Overhauls:** We perform comprehensive overhauls on petrol and diesel engines, covering both manual and automatic gearboxes and differentials.
- **Collection and Delivery:** We provide vehicle collection and delivery services when needed.
- **24/7 Light & Heavy Duty Towing:** We offer towing services for both light and heavy-duty vehicles around the clock.
- **Engine Electronic Tune-Up:** We optimize engine performance with precise electronic tuning.
- **Clutch Replacement:** We remove and replace the gearbox to fit a new clutch unit, ensuring smooth operation.

# Services Offered (Continued)

- **Brake Service:** We thoroughly inspect brakes, discs, and drums, checking for leaks, cleaning, assembling, bleeding, and making necessary adjustments.
- **Cooling System Check:** We perform a full inspection and pressure test to ensure the cooling system is functioning properly.
- **Tyres and Battery Services:** We offer comprehensive tyre and battery services, including wheel studs, tyre replacements, jump starts, and locksmith assistance.
- **Service History Documentations:** We provide and maintain a detailed service history for each vehicle unit.
- **Mechanical Records:** We keep thorough records of mechanical failures and maintain personal vehicle files for each unit.
- **Roadworthy Certificates:** We provide roadworthy certificates to ensure your vehicles meet safety standards.
- **24/7 Mobile Breakdown Service:** We offer round-the-clock mobile breakdown assistance.

# Our Commitment to Excellence

At Advanced Commercial Truck Repairs, we understand how crucial your vehicle is—whether it's for business operations or personal use. Our team of skilled and qualified technicians is dedicated to delivering exceptional service that ensures you are back on the road quickly and safely.

For us, solving mechanical issues isn't just a task; it's a passion. Guided by our philosophy, "Treat every vehicle as if it were your own," we guarantee meticulous care and attention to every detail. You can trust us to provide the highest standard of maintenance and repairs, giving your vehicle the reliability and performance it deserves.
